

ORIENTATION

June 19, 2024

Villanova University and New Student Orientation will continue to send VU101 emails throughout the summer to keep you updated on important information and help prepare for your arrival. To view past emails, please visit the [New Student Orientation website](#).

Housing Assignments

We know finding out your housing assignment is a top priority, and we are working hard to place each student. First-year housing assignments and roommate information will be available the week of July 22. Students will receive a notification via their villanova.edu email address when housing assignments are available. We appreciate your patience as we house the Class of 2028!

Move-In Arrival Times

Shortly after receiving housing assignments in July, students will be able to sign up for an arrival time on Move-In Day, Wednesday, Aug. 21. Move-in is also available the morning of Thursday, Aug. 22 for those unable to arrive on Wednesday. More details regarding move-in will follow later this summer.

What to Bring/What Not to Bring

Ahead of move-in day, please familiarize yourself on what to bring to campus, including Microfridges, carpeting, bath and linen needs and other items to help make your room or apartment feel like home. It is equally important to read about what not to bring to campus, as well as securing insurance for your personal belongings. Please visit the Office for Residence Life's [Incoming Students website](#) to learn more.

Room Accessories

The Office for Residence Life has partnered with the Villanova University Shop to offer students the opportunity to [purchase room accessories online](#) prior to Move-In Day. Items include bedding, shower and bath supplies, extension cords, storage bins and desk accessories, and rugs. On Move-In Day, the University Shop will host a Pop-Up Shop tent on Sheehan Beach (located between Sheehan Hall and Lancaster Avenue). Rugs purchased online through the University Shop prior to Friday, July 26 will be delivered to rooms before Move-In Day. Rugs purchased after that date will be available for pickup during move-in at the Shop tent. Online purchases of other room accessories can be shipped to your home or to the tent for pickup on Move-In Day.

Mattresses

All first-year student residence halls are equipped with extra-long mattresses measuring 36"x80"x7". These mattresses require extra-long twin-sized sheets.

Microfridge

Residential students living in non-apartment/suite units can have a microwave and dorm-size refrigerator (3.0 cu. ft.) in their rooms. Students can choose to purchase their own unit or rent from [myMicrofridge](#). Students who order a Microfridge by Friday, July 26 will have the unit delivered to their rooms before moving in.

If you have additional questions on the residential living services detailed above, please contact Residence Life at residencelife@villanova.edu.
