Villanova University and New Student Orientation will continue to send VU101 emails throughout the summer to keep you updated on important information and help prepare for your arrival. To view past emails, please visit the [New Student Orientation website](#).

Ignite Your Strengths: CliftonStrengths

During Orientation, you will engage in strengths-based development activities that affirm Villanova's commitment to developing and nurturing the whole person in an environment that supports individual differences. Every incoming student will take the CliftonStrengths assessment, which we view as a tool for self-discovery. [Complete the steps outlined on our website](#) to take your CliftonStrengths assessment by Thursday, Aug. 1.

Academic Integrity Training

All incoming Villanova students are required to complete Academic Integrity Training by Thursday, Aug. 15. This program will take approximately 45-55 minutes to complete. Although the program is mobile-friendly, **it is strongly suggested that students use a desktop or laptop computer to create an account**. For instructions on completing the course, information about Villanova's Code of Academic Integrity and frequently asked questions, visit our [Academic Integrity Training page](#).

Name Pronunciation Software

Members of the Villanova community can visit [MyMediasite](#) to record the correct pronunciation of their names and share links with faculty, staff and peers. Many students will add this helpful link to the signature line of their emails.

Don't forget to log in to [MyNova](#) frequently to stay up-to-date on your New Student Checklist!
