June 5, 2024

Villanova University and New Student Orientation will continue to send VU101 emails throughout the summer to keep you updated on important information and help prepare for your arrival. To view past emails, please visit the [New Student Orientation website](#).

MyNova New Student Checklist

Log on to [MyNova](#) and search “New Student Checklist” to review your new student to-do list as you gear up for New Student Orientation in August. Many of the items can be completed in advance; some are required, while others are encouraged. One fun task is to share your t-shirt size with us by July 31 to receive your Nova Nation Fan Shirt during Orientation!

UNITAS Weekend: Register by June 20

[UNITAS Weekend](#) is an on-campus, two-day pre-Orientation weekend designed to better prepare the Class of 2028 for the upcoming academic year. During UNITAS Weekend, you will have the chance to meet other incoming first-year students, upperclass students, faculty, staff and guest speakers. The purpose of UNITAS is to bring together students from all identities, both shared and underrepresented, so that students create community and begin to form friendships that will carry through their Villanova experience. UNITAS Weekend will be held July 12-14; registration is due by June 20. To learn more and to register, [visit our website](#).

Student Health Record: Due July 1

All new undergraduate students must upload their Student Health Record into Villanova’s secure portal no later than July 1. [Click here](#) to download the required forms and access the portal. Documentation of immunizations, physical examination and health history will be part of each student’s health record through the Student Health Center. All documentation will be kept confidential.
