Dear Villanova Families,

The pace has picked up as the term draws to a close. This is an exciting time for the students as they prepare for finals, internships, or studies abroad, and for parents as they plan summer recommendations for their students.

In my opinion, the most important takeaway from the Outcomes Survey is the 94% of respondents who agreed that their first destination after graduation will help them get to where they want to go. That speaks to the education that Villanova provides—both in and out of the classroom. Even if a Villanovan is unable to secure one right away, we want them to remember that the mindset and skills they developed here are valuable assets in their future endeavors.

Recently, the Undergraduate Career Outcomes for the Class of 2022 were published. They provide a comprehensive overview of career outcomes data that highlights this is that 23% of responding graduating seniors who reported job search outcomes had one of the following: employment, internship, graduate school, or military service.

Additionally, we gleaned information about the top 10 graduate and professional schools attended by Villanova graduates in 2022. The top 10 include:

- Columbia University
- University of Pennsylvania
- University of Chicago
- New York University
- Chicago Booth School of Business
- Georgetown University
- Boston College
- Boston University
- University of Virginia
- University of North Carolina-Chapel Hill

What inspires Maggie.

Warmly,

Carita

**Outcomes**

**Support Services Available**

Family plays an integral component in nurturing future students' support systems. With this in mind, the University's designated Reading Day is an opportunity to reflect on the importance of family support and how students can leverage their family's influence to succeed academically.

In addition, the Villanova Career Development Office provides resources and guidance to help students navigate their career paths. This includes one-on-one appointments with career counselors, group counseling, and access to a variety of online tools and resources.

We recommend reaching out to Villanova Family关系s for support services that are designed to help you and your student.

**RESIDENCE LIFE**

**Residence Hall Closing Information**

As the academic year comes to a close, Residence Life staff will begin room assessments once all residents of a room, suite, or apartment have departed. Damage charges may be assessed for rooms that do not meet move-out requirements.

**CAMPUS NEWS**

**Financial Assistance Application Deadline:** May 1

Financial aid information and requirements vary by institution and program. Students and families must consult their respective financial aid websites for specific information.

**Late Night Broadcast:** May 5

Villanova University will be holding its final Late Night Broadcast of the semester on May 5. The broadcast will feature student life updates and talks from Villanova staff and faculty.

**Villanova’s Newest Wichita is a Dog!**

Taffy, the Labrador/golden retriever, was formally welcomed as the newest officer on the campus police force. Taffy will be a patrolling and providing comfort to those who need it. Welcome to the Villanova family, Taffy!

**USA & ALUMNI**

**Wong’s Corner:**

**University, Career Center**

Recent highlights include the University of Pennsylvania’s new MBA program, as well as the Georgetown University’s new data science and analytics program.

We encourage you to explore these options and encourage your Villanovan to reach out, to take the initiative and drive the conversation by contacting their adviser, their professors or their students.

As we prepare for the next academic year, we consider it essential to allow time for family and to enjoy some well-deserved relaxation. Whether you are planning to travel or stay close to home, we wish you a safe and refreshing summer.

Sincerely,

Carita
