

# IGNITE CHANGE. GO GREEN.

## New This Year!

### 6 New Hydration Stations!

This summer facilities, dining services, VSB and athletics added 6 new hydration stations around campus, totaling 14 on campus! Check out the new stations at Bartley, the Davis Center, Jake Nevins and CEER.

### Green Business of the Year Award

Villanova is the winner of the Green Business of the Year Award from the Main Line Chamber of Commerce. Due to our commitment to carbon neutrality and LEED building design.

### New Logo and Slogan

To meet our growing sustainability efforts, Villanova Sustainability has received a new logo and slogan "Ignite Change. Go Green". You will have lots of opportunities this semester to "Go Green" with the new Nova Bike Share program, TradePal, EcoChallenge (coming this fall) and Kill the Cup (coming this fall).

IGNITE CHANGE. GO GREEN.

### Nova Bike Share

Registration for the new Nova Bike Share program started September 3<sup>rd</sup> and quickly met its limit for this year's bike supply. Thank you to all who were interested in the bike program, which is a free semester or year long bike rental that comes with bike, lock, regular maintenance and winter storage!

### TradePal

Sell, Trade, or Buy. A new safe, easy to use trading site that calculates your carbon savings. Perfect for old text books, unwanted electronics or last seasons clothes. [Start trading Today!](#)

# SIGN UP FOR THE FALL CSA

Deliveries start September 23<sup>rd</sup> for 10 Weeks

Share options include: Vegetables, fruit, bread, meat, chicken and eggs.

Pick up on Tuesday at Second Storey.

**Villanova Dining Services**  
**Student Sustainability Coordinator Job Description**

Job Title: Sustainability Coordinator  
Position Starting Pay: \$7.25/hour  
Department: Dining Services  
Hours Per Week: 6-20 hours, varies per week  
Term: Hourly  
Expected to hold position for entire academic year with the potential for further extension

Contact: Michelle Moss, Training Manager

**Title:** Sustainability Coordinator

**Essential Functions:**

The ideal candidate will have a strong interest and passion in environmental sustainability.

The person will assist the Dining Services Training Manager with evaluating and improving Dining Services' recycling, composting, and sustainability food programs, as well as with the preliminary research and proposals required for the creation of new programs. The coordinator will work with the Dining Services Marketing committee on marketing Dining Services' recycling, composting, sustainability food programs; while increasing awareness of these diversified offerings at the Dining Service locations.

**Note:** It is recommended that this position not be held along with elected positions on student sustainability group executive boards, due to the confusion this creates in expectations and responsibilities.

**Examples of Duties and Responsibilities:**  
**Responsibility/Accountability**

- Become knowledgeable about Dining Services' Sustainability Program
- Research and evaluate the feasibility of project ideas from interested staff and students, and formalize proposals when appropriate
- Effectively communicate information and ideas from management to students and back.
- Educate students and employees regarding the departments and University's commitment to sustainability
- Organize and coordinate events on campus
- May also assist in training future Sustainability Coordinators

**Minimum Skills/Qualifications:**

- Background and passion for environmental sustainability
- Ability to work and communicate with others
- Must be able to give and receive constructive criticism

- Must be able to work independently and with a team
- Needs to have effective networking and organizational skills
- Must have strong time management skills
- Must attend mandatory student training sessions offered during semesters
- Comfortable with public speaking and presentations

**Application Requirements**

- Personal Statement
- Resume
