**What type of device are you adding?**

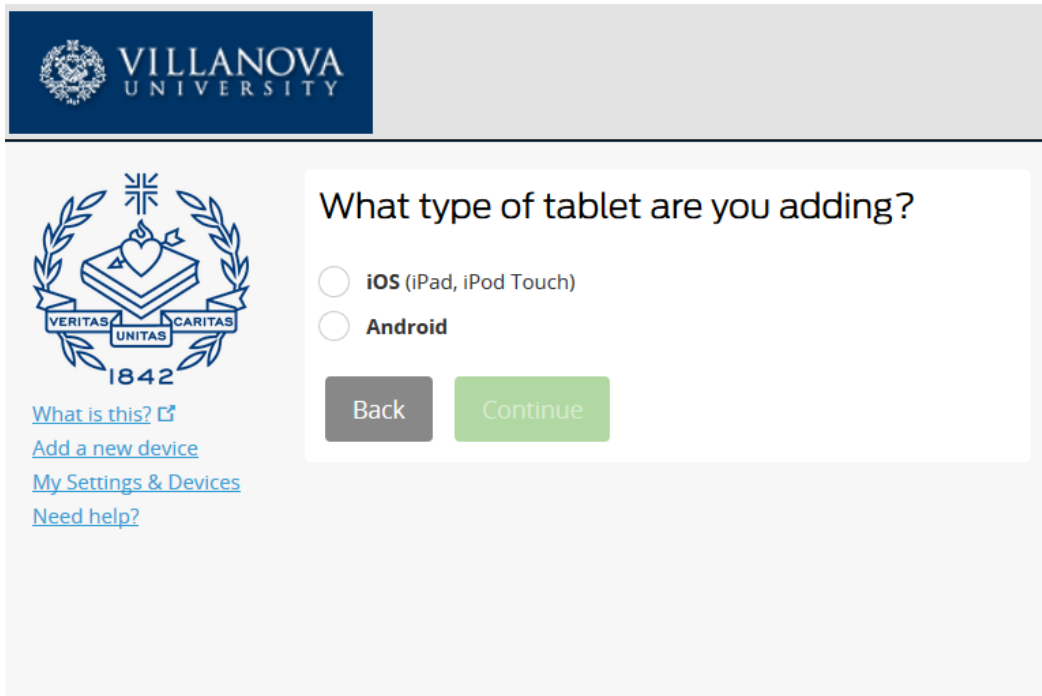

**Mobile phone** RECOMMENDED

**Tablet** (iPad, Nexus 7, etc.)

**Landline**

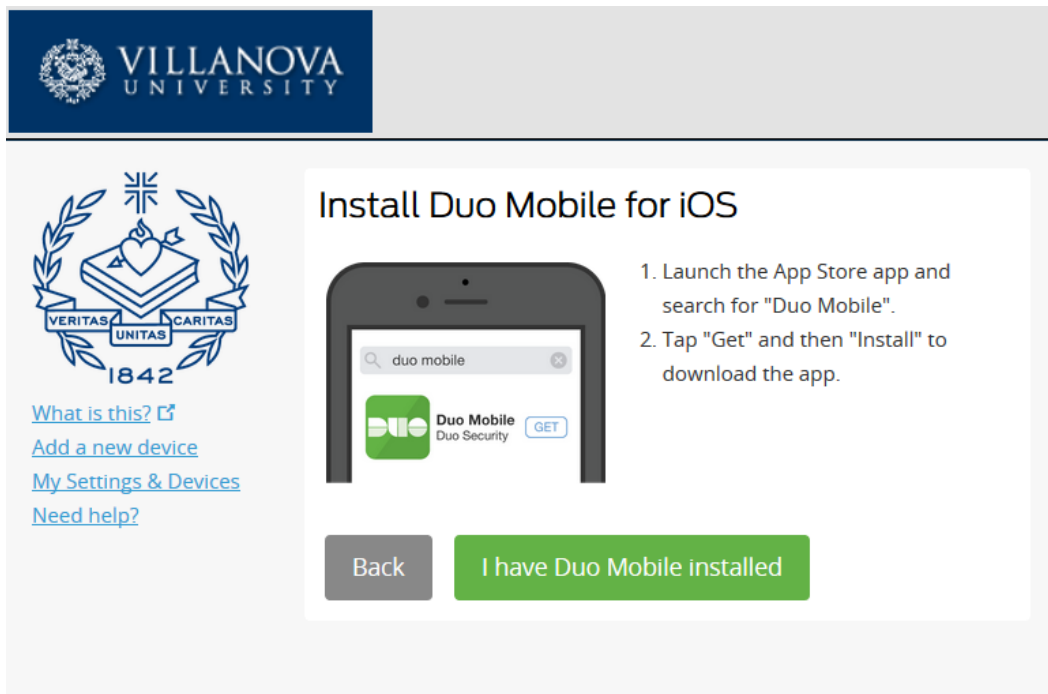

[Back](#) [Continue](#)

After choosing a tablet, please select which kind of tablet you are using then click Continue.

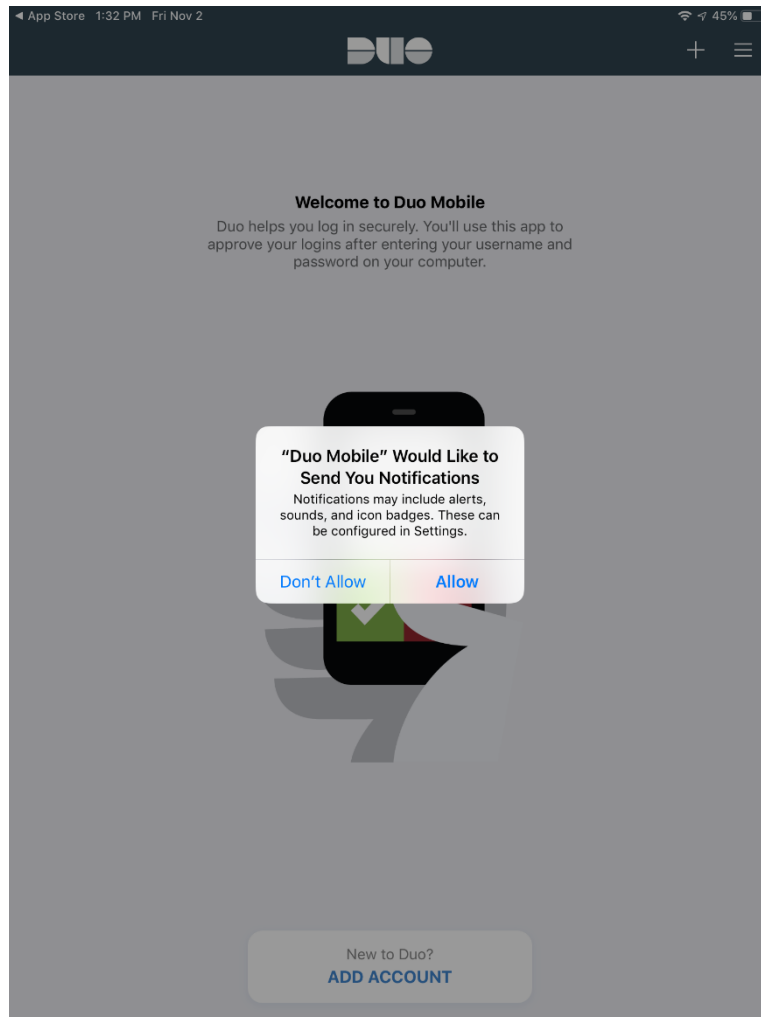

The screenshot shows the Villanova University Duo Mobile enrollment interface. At the top left is the Villanova University logo. Below it is the university crest with the motto "VERITAS UNITAS CARITAS" and the year "1842". To the right of the crest are four links: "What is this?", "Add a new device", "My Settings & Devices", and "Need help?". The main heading is "What type of tablet are you adding?". Below this heading are two radio button options: "iOS (iPad, iPod Touch)" and "Android". At the bottom of the selection area are two buttons: "Back" and "Continue".

Depending on your tablet, go to the Apple App Store or the Google Play store and download Duo Mobile on your tablet before coming back to continue enrollment.

The screenshot shows the Villanova University Duo Mobile enrollment interface for iOS. At the top left is the Villanova University logo. Below it is the university crest with the motto "VERITAS UNITAS CARITAS" and the year "1842". To the right of the crest are four links: "What is this?", "Add a new device", "My Settings & Devices", and "Need help?". The main heading is "Install Duo Mobile for iOS". Below this heading is an image of an iPhone displaying the App Store search results for "Duo Mobile Duo Security" with a "GET" button. To the right of the image are two numbered instructions: "1. Launch the App Store app and search for 'Duo Mobile'." and "2. Tap 'Get' and then 'Install' to download the app." At the bottom of the instruction area are two buttons: "Back" and "I have Duo Mobile installed".

On your tablet, once the app is installed, you will be prompted to allow Duo. When prompted of the following, allow Duo to send notifications so you can get alerts if Duo is set up to push to your device.

After you install the app, go back to the computer and click 'I have Duo Mobile installed'

## Activate Duo Mobile for iOS

1. Open Duo Mobile.
2. Tap the "+" button.
3. Scan this barcode.

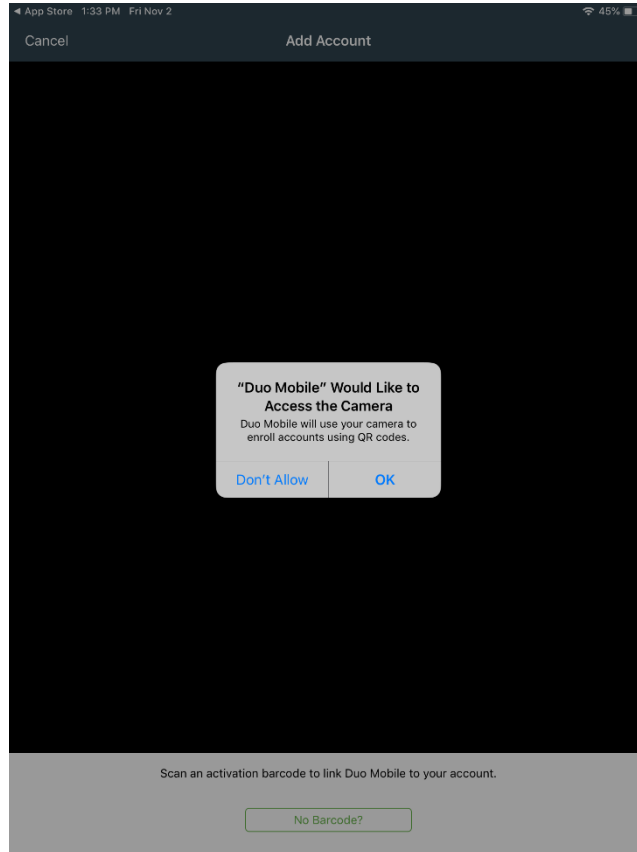

[Or, have an activation link emailed to you instead.](#)

[Back](#) [Continue](#)

Open the app and tab the plus sign on your tablet.

Allow your Duo to have access to your camera when prompted.

Hold your tablet up to the computer until the barcode comes into view. The process will be completed when you see a green check mark. Once done, click Continue.
