Install

Begin the process to install Skype.

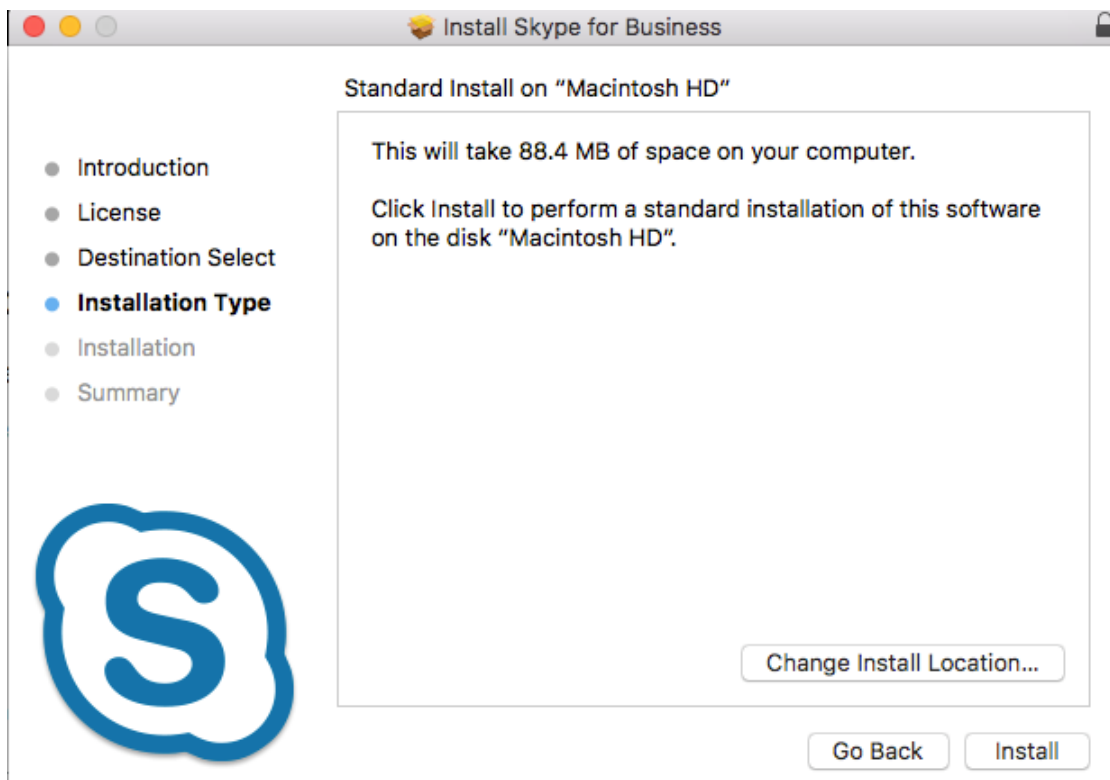

Click Continue and accept the terms of agreement.

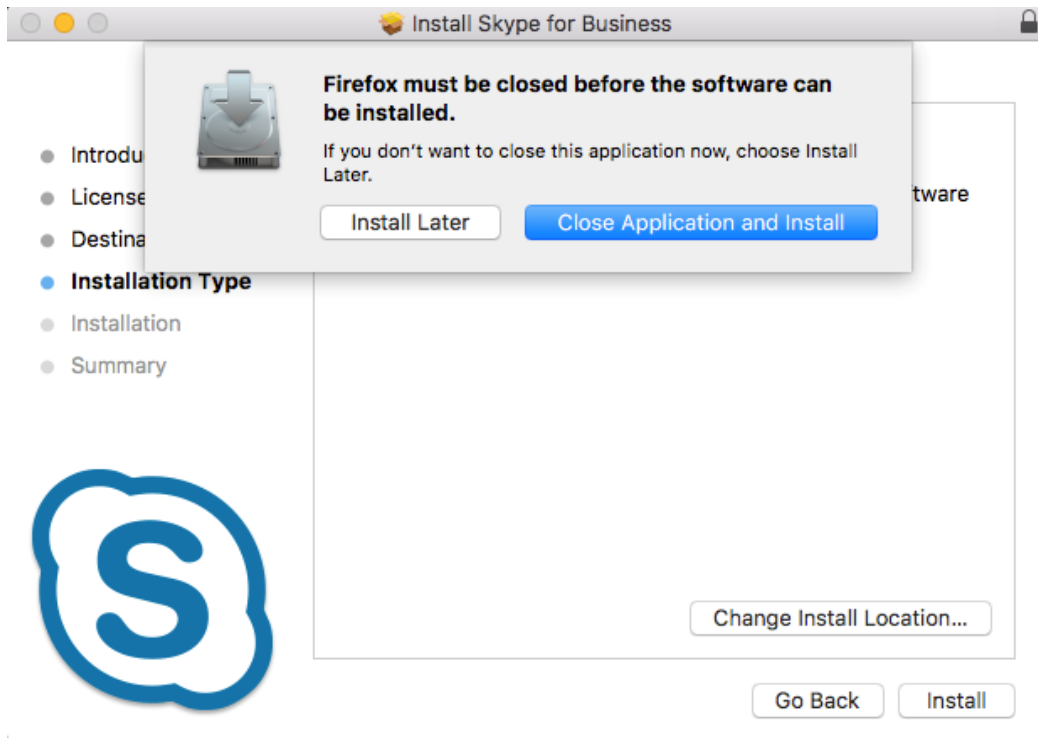

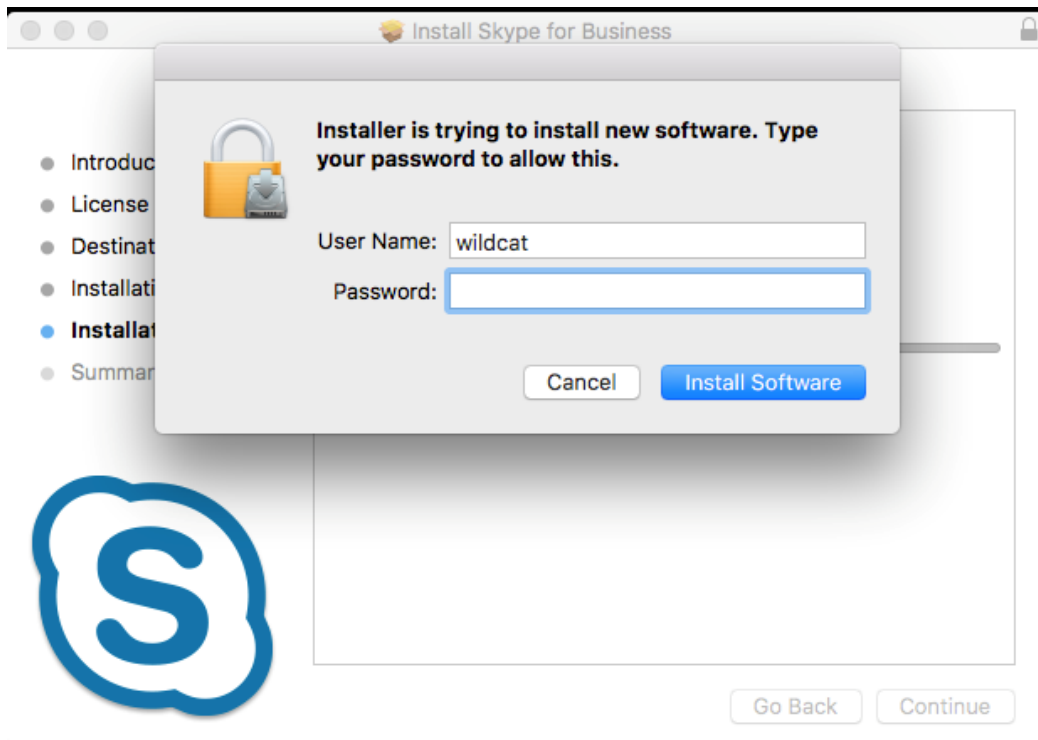

Click continue to chose the hard drive, then click Install to complete.

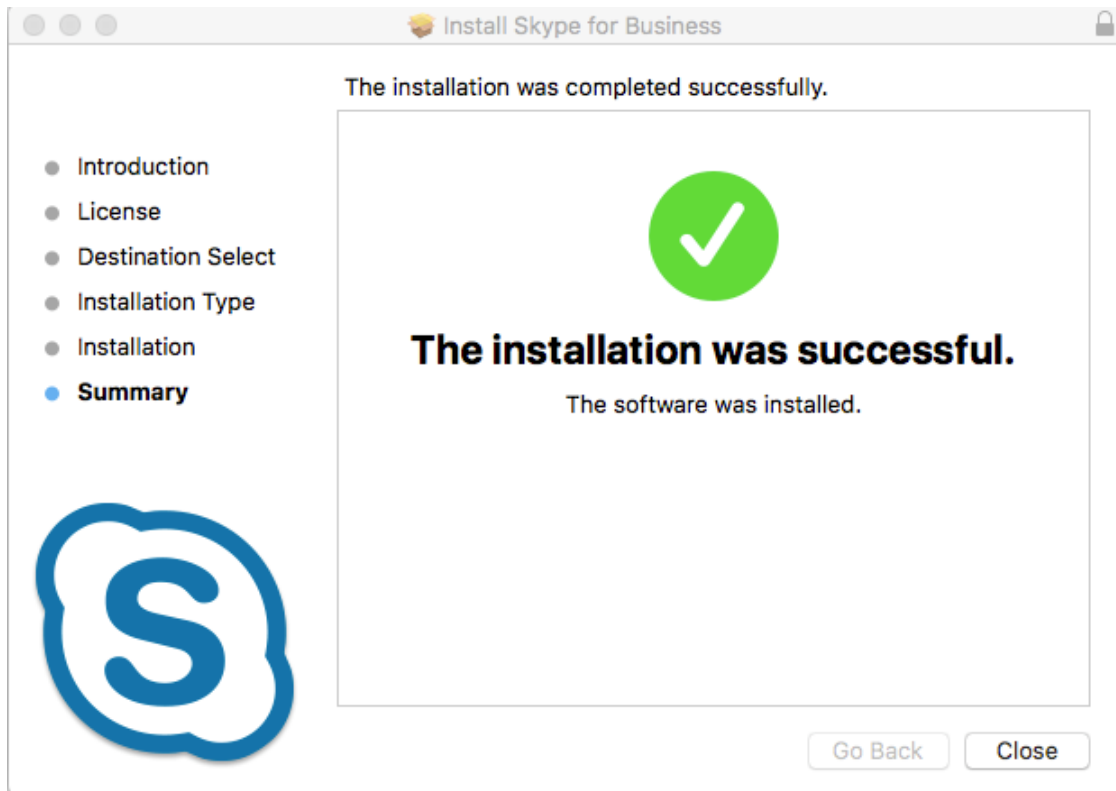

If your browser is open, the install will prompt you to close your browser before continuing.

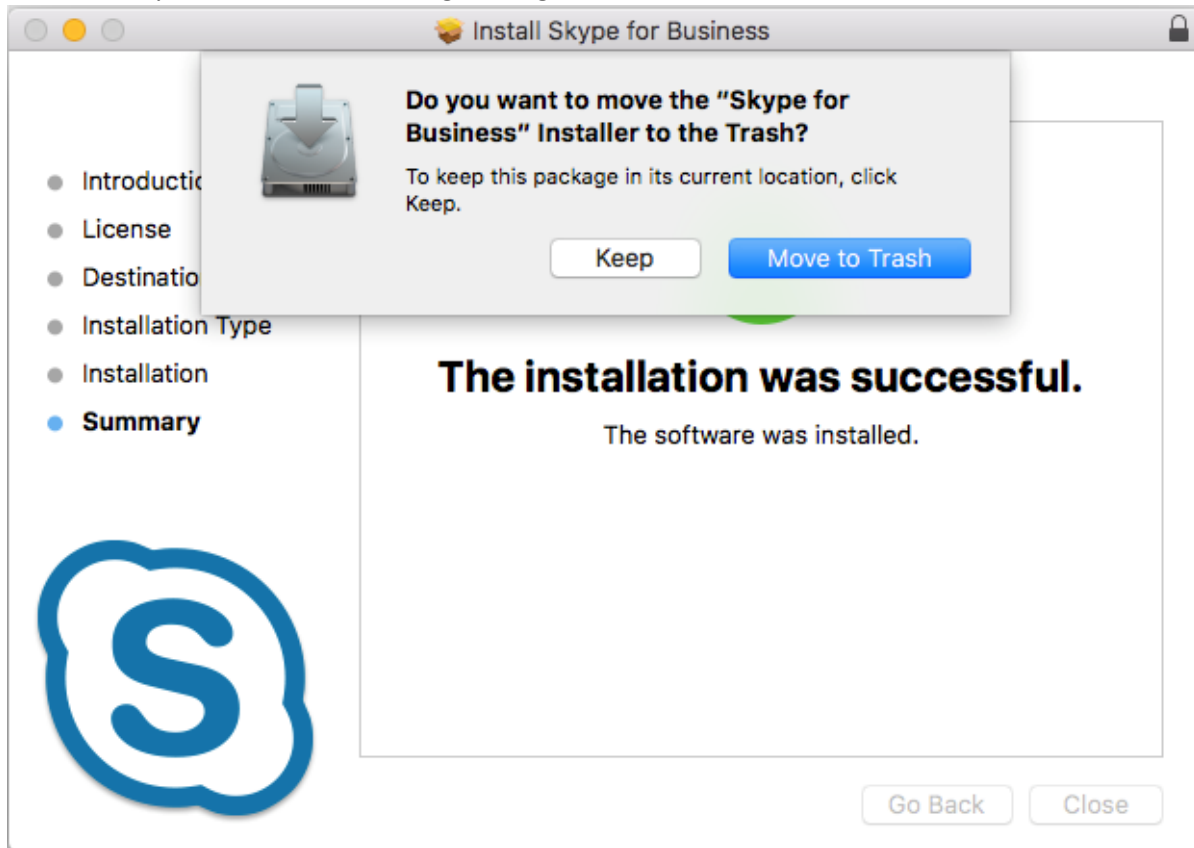

Type in your computer password.

Once done, the install will complete.

Afterwards, you receive the following message. You can move the installer to Trash.

When signing in, please login as username@villanova.edu (jdoe01@villanova.edu).
