About Villanova University

Founded in 1842 by the Order of St. Augustine, one of the oldest religious teaching orders of the Catholic Church, Villanova University was Pennsylvania’s first Catholic college. The University is located on a section of the historic Main Line, in an area once owned by Philadelphia merchant and Revolutionary War officer, John Randolph. His scenic estate was connected to nearby Philadelphia by the Columbia and, later, the “Main Line” of the Pennsylvania Railroad. Villanova comprises four undergraduate colleges: Liberal Arts and Sciences, School of Business, Engineering, and Nursing. The University is also comprised of Graduate Studies and the Law School. The average annual enrollment is approximately 10,000 students.

THE OFFICE OF CONFERENCE SERVICES strives to promote the University as a unique and stimulating venue for conferences, camps, meetings, professional development programs, retreats, festivals, exhibitions, and special events. The University has a setting and a learning environment for every purpose and group.

Meeting Planners will appreciate one-stop-shop certified planning assistance, and the staff’s familiarity with campus facilities and services is invaluable. Full-time staff will assist meeting planners with the many elements of program coordination and site management before, during and after each conference. The staff belongs to Meeting Professionals International, the PA Society of Association Executives, the Valley Forge Tourism and Convention Board and the Association of Collegiate Conference and Events Directors-International (ACCED-I).

Air Conditioning

For apartments:
Too warm? Adjust the thermostat (in the hallway) to a more comfortable cooler temperature and allow some time for the A/C to kick in and for the apartment to cool down. (Also make sure windows are closed when A/C is on.)

Too cold? Adjust the thermostat (in the hallway) to a more comfortable warmer temperature and allow some time for the A/C to go off and the apartment to warm up. The A/C will be off, but the fan will continue to run and circulate air. Feel free to open a window as well once the A/C is off.

Still too cold? Shut off the circuit breaker (labeled “Fan Coil Unit”) to stop the fan from circulating any air through the apartment. The circuit breaker box is located in the hallway outside the bedrooms - Farley/Gallen/Jackson/St. Clare: 4th breaker down on the left side; Klekotka/Moulden/Rudolph/Welsh: 3rd breaker down on the right side. (Return to on position at the end of your stay.)

For residence halls/dorms:
Use the temperature control knobs on the individual air-conditioning units to regulate the temperature. Make sure air-conditioning is off before opening windows and windows are closed when air-conditioning is on.

Heat
For apartments and residence halls/dorms:
All apartments and most residence halls employ a seasonal heating/cooling system, set to heat from October through April and to air conditioning from April through October. Heat is therefore not available in those locations during the summer months (but guests can turn off the air-conditioning).

A small number of residence halls (McGuire, Caughlin, Katharine, St. Monica and Fedigan) are not tied into the seasonal heating/cooling system. In those buildings, guests can set the individual units in their room to either heat or air-conditioning, depending on their preference.

Alcoholic Beverages

Alcoholic beverages are permitted for those of legal drinking age 21 years or older. Alcoholic beverages may only be consumed inside guest rooms or at scheduled functions where served. The public consumption of alcohol is not permitted.

### About Villanova University

Founded in 1842 by the Order of St. Augustine, one of the oldest religious teaching orders of the Catholic Church, Villanova University was Pennsylvania’s first Catholic college. The University is located on the campus of the Historic Main Line, in an area once owned by Philadelphia merchant and Revolutionary War officer, John Randolph. His scenic estate was connected to nearby Philadelphia by the Columbia and, later, the “Main Line” of the Pennsylvania Railroad. Villanova comprises four undergraduate colleges: Liberal Arts and Sciences, School of Business, Engineering, and Nursing. The University also comprises Graduate Studies and the Law School.
