This contract is a binding agreement between the accepting student and Villanova University. Please read carefully the terms and conditions of the contract, which are outlined below, before accepting. **All students accepting placement in a Traditional University residence hall (including singles in The Commons and St. Mary’s) obligates the resident to purchase a University-sponsored meal plan. First and second year students residing in apartment style accommodations are obligated to purchase a University-sponsored meal plan.** All students residing in traditional residence halls who do not register for a meal plan by June 30, 2019 will be placed in the any time 7 day plan. All Students residing in apartment style accommodations who do not register for a meal plan by June 30, 2019 will be placed in the 14 meal plan. A service fee of $50.00 will be charged for early contract release and/or termination following the last day of the contract change period (see change section below). **Under NO circumstances are meal plans transferable.** Unless you request to change your meal plan, you will be placed into the same meal plan for the spring semester as you chose for the fall semester.

*Meal Plans follow the academic calendar. Fall, Thanksgiving, Christmas, Spring, and Easter breaks are not covered by the contract.*

### Meal Plan Express (MPE)

Meal Plan Express (MPE) allows you to use your meal plan in designated retail locations. While you will always get the best value from your meal plan by dining at our “all you care to eat” resident dining halls, there may be times when you choose to dine in one of our retail locations instead of a resident dining hall. In these cases, you may use a meal to cover a certain cash value of your purchase. MPE allows you to swipe your meal plan in a retail location. When this is done, a meal is deducted from your meal plan balance and you receive a cash value that you can apply to your purchase. Please check our website for MPE locations and values.
