

Bulletin Board Packet: *We Are Here* Vision Wall

Description: This interactive bulletin board is in line with the national *We Are Here* campaign that will be taking place on college campuses across the country during the first six weeks of the semester. The *We Are Here* Vision Wall seeks to bring together colleges and universities across the country to collaboratively address sexual violence and the need for welcoming, communicative, and safe campuses. By rallying universities across all fifty states together, college students will demonstrate their willingness to take a stand. Moreover, they will prove the gravity of the problem, showing that sexual violence isn't an issue specific to the one individual university, community, or state, but rather a toxic nationwide disgrace. Together, we can make a real difference. Post-It notes from the various bulletin boards across campus will be read at the *Where Do YOU Stand?* Bystander Intervention Panel Discussion on **Thursday, September 28 at 6:00pm in the Connelly Cinema**. In addition to any bulletin board displays in the residence hall, a display will also be available in the Connelly Center for non-residential students to also contribute to the effort. If you have any questions or would like additional information or materials, please contact the Office of Health Promotion at (610) 519-7407 or email us at healthbytes@villanova.edu.

When to display the board: September, specifically between September 8 and 30, 2017. This national time frame is selected to occur during the Red Zone which is the time during which first year students are at the greatest risk for sexual violence.
