Welcome to the Villanova University Student Payment System

Here you can:

- View electronic bills and recent account activity
- Make payments and save preferred methods of payment for future use
- Setup authorized users to pay on your behalf

Please be sure to setup your payment profile and add any family member that helps you with bills as an 'authorized user'.

This is your new V-Bill homepage (Link). From here you can make a payment, view, and print a V-Bill statement, set up authorized users on your account, and set-up your payment profile.

- Your account balance is updated in real-time. Your current account balance is in the Student Account box.
- You can make a payment on either of the links above. If you are viewing a V-Bill statement, you will also have the option to make payment at the bottom of the statement.
