

## Final Thesis/Dissertation Steps

After your thesis/dissertation has been approved:

1. Your advisor should initiate any/all Grade Changes by the [posted calendar deadline](#) **AND**
2. **Student should complete [Advisor Approval Form](#)** (advisor signature required). Form needs to be received in the Graduate Programs Office - CEER 302A **OR** [leslie.mcnamee@villanova.edu](mailto:leslie.mcnamee@villanova.edu). Please do not include a printed copy of your thesis/dissertation.

## Submitting Your Thesis or Dissertation to ProQuest for Publication

Please note:

- Approval page(s) are only required for bound copies (personal/advisor copies). Approval pages (blank or signed) **DO NOT** get included or uploaded with your document to ProQuest.
- You are required to upload an Abstract.
- You can enter a maximum of six (6) key search words. You should discuss these search words with your advisor prior to submission.

**On-line thesis/dissertation submission:** <http://www.etdadmin.com/villanovaengineering>

All Masters' theses and Doctoral dissertations are submitted to ProQuest, which arranges for the work to be published online and thereby available to other scholars. ProQuest's fees for publishing and copyright are the responsibility of the student. For publishing options, you may choose either Traditional or Open Access. [Click here for information regarding each of these publishing options](#). We recommend Traditional Publishing because no fee is charged. If you chose Open Access you will be charged a fee, which is also charged for obtaining a copyright.

To be submitted to ProQuest, your thesis or dissertation must be in PDF format, and you must embed all fonts in the document. ProQuest provides assistance, instructions and technical support on PDF formatting, embedding fonts, and fulfilling other submission requirements. [Submission requirements can be found here](#).

*If your submission is incomplete or requires modification, you will receive an email with instructions.*
